

Thank you for your interest in Grace Christian Academy. We look forward to getting to know you and your family.

Let us begin by telling you a little bit about our school family.

Grace Christian Academy was founded from several families who saw the need for a sound, separated, and solid Christian Education for their children. It is our conviction that it is the parent's responsibility to educate and train their children (Deuteronomy 6:4-9). With as much parental involvement as possible, we seek to educate the child in each of the four areas laid out in Luke 2:52: Spiritual, Academic, Social, and Physical. It is our burden to be used in the lives of those that the Lord sends to us for this purpose.

Grace Christian Academy has been serving students K5 through 12th grade for over twenty years.
